CAPABILITIES STATEMENT

OUR MISSION

Deliver the right products, fully compliant, on time, to support DLA readiness.

COMPANY OVERVIEW

A Mylestone Group (AMG) helps DLA buy and receive products without problems. We find approved manufacturers and suppliers, confirm RFQ requirements, and manage orders from quote to delivery. We focus on accuracy, traceability, and clear paperwork so items are accepted the first time. We follow RFQ packaging, labeling, and marking to reduce rejections, returns, and delays. Our goal is to make buying easier, keep supply steady, and meet delivery dates. We reduce returns, rejects, and mods by validating RFQ specs up front and delivering first-pass acceptance documentation.
